

Dear Parent,

Your child in Prep, Grade 1 or Grade 2 is going to be using an online tool called SeeSaw.

SeeSaw is a secure online learning journal where children can share their learning with their teacher for feedback and acknowledgment. Students will be able to create and upload their work to show their learning. Your child will add things like photos, videos, worksheets, drawings and voice recordings to their Seesaw journal. This will be a very helpful tool for students during Remote Learning. This replaces the need to email the school directly with photos.

SeeSaw journals are private and only accessible by the teacher, students, and parents. Please see the following link for SeeSaw's privacy policy:

<https://app.seesaw.me/about/privacy>

Teachers will be providing support to students to assist them with uploading work. This will be done in their daily class meetings.

Your child's individual login details and QR code has already been emailed to you directly.

Please see the following links to watch a brief demonstration on how to access SeeSaw:

Tablet <https://clickv.ie/w/QZPn>

Computer <https://clickv.ie/w/SZPn>

If you have any concerns or require support with SeeSaw please contact us via email at barton.ps@education.vic.gov.au.

Regards

Barton Primary School
