## BACKGROUND

Barton Primary School is a Victorian government supported inclusion school.

By law in Victoria all children from the age of 6 up until they turn 17 years must be enrolled at a registered school or registered for home schooling unless they have a reasonable excuse. School participation maximises life opportunities for children and young people by providing them with a comprehensive educational program and access to support networks. It also helps to develop important skills, knowledge and values that set them up for further learning and active participation in their local community.

## PURPOSE

To explain to our school community how we manage requests for class placements, for the following school year.

## POLICY

The process that Barton Primary School works through to plan each student's class placement begins months before the end of the school year. We understand that in certain situations, parents and carers may like to make requests for their child's class placement.

## REQUESTS FOR PLACEMENT WITH FRIENDS

Barton Primary School recognises the importance of fostering and maintaining friendship groups. We also understand that it is equally important for students to mix and learn with peers who have different interests.

Teachers take into consideration both the wellbeing of students and their academic needs into consideration when forming classes. As a rule, we do not take requests from parents for placement with friends unless there are extenuating circumstances. If you would like to request that your child be placed in a class with a particular friend or friends, please ensure that you make this request by End of October of the year prior so that we can consider your request in organising our classes for the following year.

Requests for class placements must be made in writing and emailed to [barton.ps@education.vic.gov.au](mailto:barton.ps@education.vic.gov.au), outlining who you would like your child to be placed with and why. We will not always be able to accommodate class placement requests, but will endeavour to take your wishes into consideration where possible.

## REQUESTS FOR PLACEMENT WITH CERTAIN TEACHERS

All teachers at Barton Primary School are caring and committed educators and Barton strives to ensure that all students are provided with a high quality education. Due to our use of a low-variance approach to curriculum, we are confident that students in every class will receive the best education possible.

Whilst we appreciate that you may wish that your child would benefit from being placed in a class with a particular teacher, we are generally unable to [consider] these requests. Our school's leadership team] has an in-depth understanding of each teacher's strengths and will always endeavour to place our students with

teachers who are best placed to suit their needs. We do not re-allocate students to different classes during the school year, unless exceptional circumstances arise. Parents will be advised of the situation if it arises.

## COMMUNICATING ANY OTHER CONCERNS WHICH MAY IMPACT CLASS PLACEMENTS

If you believe there is information which may be relevant in placing your child in an appropriate class, this should be put into writing and emailed to [barton.ps@education.vic.gov.au](mailto:barton.ps@education.vic.gov.au) before the end of October the year prior.

## REQUESTS FOR STUDENTS TO REPEAT A YEAR

Our school will follow the Department of Education and Training policy in the Department's *Policy and Advisory Library* on Year Level Movement – see [Repeating a Year Level](#) policy.

We will regularly promote students to the next year level and will exercise our professional expertise and judgment in relation to these matters. Students are only able to repeat a year level in exceptional circumstances where Barton considers it is required for the long-term benefit of the student e.g. considering their social, wellbeing and academic needs. We will ensure that parents/carers are advised of the options that we consider best meet individual student needs. Students will not repeat a year level without the consent of parents/carers.

## COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website
- Discussed at staff briefings/meetings as required
- Made available in hard copy from school administration upon request
